

MUSIC PHOTOGRAPHY

Last year saw the first Aotearoa Music Photography award and, in time for NZ Music Month, Image Auckland has launched a Musical Walk in Takapuna, featuring entries for the award. There are shots by amateur photographers and professionals all taken at live gigs, concerts, backstage or at festival or community events. Turn your weekend walk into a weekend jive down music lane (aka Hurstmere Rd) and take in some photography and iconic New Zealand music moments while you're at it. **On now until July 31. Hurstmere Rd, Takapuna, Auckland.**
